

RACE FOR A FLAT

Play Race for a Flat! Here are the rules:

- This is a game for two teams of two players each. The object is to get enough Rods and Units to trade for a Flat worth 100.
- One team rolls two number cubes. The players find the sum of the numbers they roll and take Units to show that number. Then they put their Units on a place value mat.
- When a team gets 10 Units or more, they trade 10 Units for 1 Rod.
- Teams take turns rolling, finding the sum, putting Units on their mats, and trading Units for Rods.
- As soon as a team gets blocks worth 100 or more, they make a trade for 1 Flat.
- The first team to do this wins.
- Clear your mats. Now play again.
- Be ready to talk about what you did to get a Flat.
